

SpeedyCast Solution

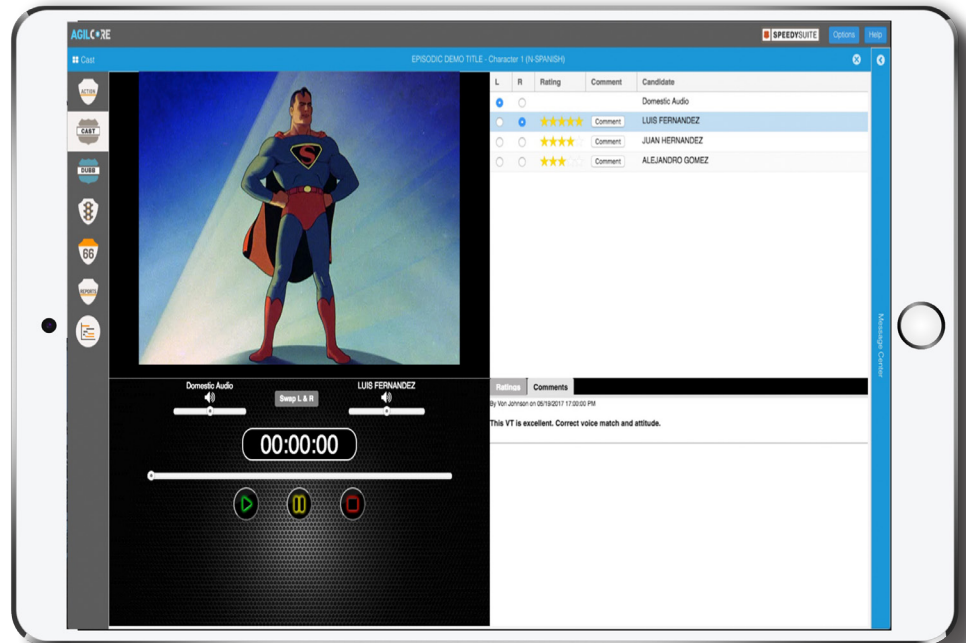

- The independent solution for casting animated and live action character voices
- Global collaboration using Cloud platform technology
- Secure and multi device freindly
- Integrates with SpeedyDubb and Speedy Asset Manager modules for end-to-end localization project management

Key Benefits

- Improve efficiency and control
- Reduce non-productive communication
- Hierarchical review and approval workflow
- Organize reference materials in Speedy Asset Manager or link to current asset management systems

Primary Capabilities

- Role-based social collaboration
- Hierarchical approval process
- Easy to use interface for desktop and mobile devices
- Project status through customized dashboards and reports
- Attach reference materials (scripts, creative letters, synopsis, clips, images) for approved participants
- Automatically synchronizes to reference video

Review Visually • Decide Efficiently • Collaborate Globally

About MCF Media Solutions

MCFMedia is a joint venture of MCF Technology Solutions, Agilcore and Von Johnson & Associates, Inc (VJA). MCFMedia combines the institutional knowledge of VJA with the technology skills of MCFTech. MCFMedia's SpeedySuite enables global collaboration, greater transparency, and real-time information for more informed decision making.

About MCF Technology Solutions

MCF Technology Solutions delivers Services, Strategy, and Products to business customers worldwide. We focus on the successful development, deployment, and support of Business Applications for diverse teams. Successful MCFTech projects include worldwide deployments for Walmart, Procter & Gamble, Disney, Merck, PR Newswire, Oracle Corporation, Intuit, and others.

Collaborate with global Dubbing Studios and control your character voices casting workflow. Automate the approval process and capture creative input from all stakeholders.
